

Kayak Schedule 2011

Tours will embark from the canoe/kayak launch located at the south side of Liberty State Park near the Park Office and will highlight the local wildlife and habitats of Caven Point. All trips will be from approximately 10AM-Noon (we request that participants arrive at 9:30) and will include a brief safety and paddle instruction. No prior paddling experience is required however participants need to be comfortable navigating in relatively deep water. Life Jackets (PFDs) will be provided and are required. Please dress for the weather, and be prepared to spend some time on the water. Old sneakers that can get wet (no open toed shoes) and quick drying clothing are recommended, as is sunscreen, a hat, water, and a snack.

This program is appropriate for adults and children 16 years and older. Anyone under the age of 18 must be accompanied by a legal adult. Please note that since there is no fee for this program and a large demand, we ask that you register for only one trip per season. We cannot accommodate large groups for this program but you may contact the Nature Interpretive Center if you wish to discuss other program opportunities.

For registration, please refer to the schedule below and contact the Liberty State Park Interpretive Center at (201) 915-3409 or lspic@verizon.net. Space is limited and pre-registration is required. When registering, please provide us with the date you are interested in, your name, age (if under 18), email and a phone number at which you can be reached in the event of program cancellation. You will receive a confirmation, directions and any further information at that time. We look forward to hearing from you!

June: 6/25, 6/26

July: 7/2, 7/6, 7/7, 7/9, 7/10, 7/12, 7/13, 7/14, 7/19, 7/23, 7/24, 7/25, 7/26, 7/27, 7/28, 7/30, 7/31

August: 8/3, 8/4, 8/6, 8/9, 8/10, 8/11, 8/13, 8/16, 8/21, 8/30

September: 9/1
